True or False??

Place a T or an F in the boxes below. Go down the columns

Saul was a mean man?

Saul used to help Christians?

Saul used to STOP news about Jesus spreading?

Saul never met Jesus?

Saul finally believed in Jesus?

Saul was given a new name?

Paul was sad?

Paul now STARTED telling news about Jesus?

Paul was saved and changed?

You can read Paul's letters today?

The Holy Spirit has nothing to do with all this?

Nothing can stop the good news spreading?

Thinking & Application Questions

- 1) If God can save such a mean sinner like Saul, can you think of anyone he can't save?
- 2) Did Saul choose Jesus? Or did Jesus choose Saul? Is that the same for you?
- 3) If even Saul couldn't stop the message of the risen King Jesus from spreading, what might stop it? A virus? A bushfire? Losing money? People getting angry? How does this make you feel? Praise God he still saves and changes people today! 😊
- 4) Would you say that sinners today are radically changed like Paul's was? What about this - would *you* share the good news of Jesus if you hadn't met Jesus?? 😊 Remember what we've been learning this term - the Holy Spirit gives us power, gives us the words to say, makes us brave, leads us to people, and actually saves sinners like Saul, and you, and me. :) Praise God for Jesus life, death and resurrection!
