

Family Prayer 29.03.2020

Praise God that he shows grace to all who believe, without favouritism!

Pray for Lawi. For God's grace on him. And that he and his friends and family are kept safe during the rise of coronavirus. Pray for God's grace on the Compassion workers, and on the country of Kenya.

The image is a screenshot of a child sponsorship profile for Lawi Otieno. At the top is a circular profile picture of a young boy with a serious expression, wearing a colorful patterned shirt. Below the photo is a 'View Gallery' button. The name 'Lawi Otieno' is displayed in large bold letters, with the ID 'KE072700446' underneath. There are two buttons: 'Send a Gift' with a gift icon and 'Write a Letter' with an envelope icon. A short bio states: 'Lawi lives with his father and mother in Kiambiu Slums, Kenya.' Below this are three icons: a person icon for 'Male, 8 years old', a birthday cake icon for '9 Jan', and a location pin icon for 'Kiambiu Slums, Kenya'. At the bottom, there are three tabs: 'About', 'Country', and 'Project'. The 'About' tab is selected, showing the text: 'Lawi lives with his father and mother. His father is sometimes employed as a guardwatchman. There are three other children living in the household.'

If you want to continue encouraging your kids to give to Lawi, please help them to transfer funds to the Church account electronically with "Lawi Sponsor" as appropriate.

(But you may want to save some of these goodies for during the week sometime, rather than all on Sunday. :)
