“Dear friends, I urge you, as foreigners and exiles, to abstain from sinful desires” 1 Peter 2:11

A) Understanding the Story (Mum or Dad, you are needed!)

The book of **Daniel** is all about being faithful in a faithless world. Living as a Christian in a non-Christian world. You may have heard it said, that Christians are in the world but not of it. This is also what the Bible book of **1 Peter** is all about – how to live following Jesus, when most of the people around us (in Canberra) are not following Jesus.

This week, Daniel shows us how to be convicted and committed to practise being Godly no matter where God has you!

But, the book of Daniel has a far greater purpose than to simply show us the way to live. It's part of God's Big Rescue Story.

See if you can explain some of these Big Picture movements in God's story that we studied in K@Ch a few years ago.

Remember the Bible is one big story of how God loves his children and comes to rescue them.

(But Prophets give hope)

Once you've tried to explain each part, then try to match up some of the blurbs below with the pictures above. 😊

B) Family Discussion Questions

1. In God's Big Rescue Story, why did people need to be rescued anyway?

(See if you can include the words we have used for this in the past - Creation, Fall, Rescue, and Heaven!)

2. Who is the Book of Daniel about... Daniel, Lions, or God? 3. How is God involved in Chapter 1?

4. What nationality was Daniel? What did that mean to him? How do you know?

5. Whether it was forbidden food (like pork) or food that had been sacrificed to idols, do you think Daniel and his friends found it easy or hard to remain holy to God? What about you?

6. Jesus makes us holy (or godly) through faith in his grace. Praise God! Now he asks us to practice being Godly. But we need to make sure our culture here in Australia doesn't make us stop following Jesus! Which of the following things might **you** need to reassess your involvement in?

Watching inappropriate videos or Internet shows; Playing violent video games; Eating out & eating too much; Playing sport over-competitively or on Sundays; Buying fancy clothes or just spending too much on yourself? The general Canberra culture has a pretty low restraint in these areas even for little kids! So what might it look like to follow Jesus in these areas rather than just doing what our culture does? Discuss as a family, check out today's craft idea, and then pray that you might be like Daniel (and like Jesus) who was convicted and stood firm in his faith and made good decisions as he practised being Godly! Make sure you sing the song too! 😊

God brings blessing to other nations
as His people follow his Commands.
But how long will it last?

God gives Israel a special land to live well in,
so that all nations will be blessed through them

God sends Israel away from their special land because
they stop following his commands.
They are no different than anyone else.
But! Prophets promise hope through a child!

God's Big Rescue Story starts with a
Promise of blessing to Abraham.
I will bless you and bless all people through you!

God rescues Abraham's large family Israel,
so that all nations will be blessed through them.

Now: optional craft. Later: Quiz (11:30) Dinner: Barry the Bear (4:30pm+) 😊
